

A black and white portrait of a woman with dark hair and bangs, looking directly at the camera. She has dramatic eye makeup, including long, dark eyelashes and dark, winged eyeliner. Her hands are clasped together in front of her chin. She is wearing a light-colored, possibly white, top. The background is a plain, light color.

On se régénère
«Rouges le plus souvent, chaudes et éblouissantes, les Leds régulent le système neurovégétatif, donc les hormones, avec une incroyable action antistress. Mais elles possèdent aussi un formidable pouvoir de régénération des tissus cutanés, en stimulant le collagène. » En un mois, on est « toute lisse ».
